Kings Langley RG Permit Parking Zone

The Chorleywood Permit Parking Zone (RG) helps to prioritise parking for people living locally and to improve safety and traffic flow in the roads shown on the map overleaf.

Parking bays are provided for anyone with a permit to park between 9am – 5pm (Monday to Friday).

Shoppers and other visitors can park in the short-stay bays around the area and in the local car parks. Long-stay parking is available in some Council car parks.

During the restricted hours, any vehicle parked within the zone must have a valid permit. Parking across dropped kerbs within permit bays is unlawful (except your own driveway if a valid permit has been obtained).

For **general questions** about permit parking zones and available permits, please visit our information page <https://www.threerivers.gov.uk/services/parking/parking-permits>

This only applies to residential permits.

Lost business permits will not be replaced.
