

## **PRIVACY NOTICE – ATTENDING REMOTE COUNCIL MEETINGS**

### **WHAT IS THE PURPOSE OF THIS DOCUMENT?**

Three Rivers District Council is committed to protecting the privacy and security of your personal information.

This privacy notice describes how we collect and use personal information about you for the purposes of attending remote meetings of the Council and committees.

Note: The Coronavirus Act 2020 provides for 'persons to attend, speak at, vote in, or otherwise participate in, local authority meetings without all of the persons, or without any of the persons, being together in the same place'. The Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority and Police and Crime Panel Meetings) (England and Wales) Regulations 2020 provides us with greater flexibility in the conduct of our meetings, including allowing Councillors to attend remotely and for public and press access to those meetings.

Three Rivers District Council is a "data controller". This means that we are responsible for deciding how we hold and use personal information about you. We are required under data protection legislation to notify you of the information contained in this privacy notice.

It is important that you read this notice, together with any other privacy notice we may provide on specific occasions when we are collecting or processing personal information about you, so that you are aware of how and why we are using such information.

### **DATA PROTECTION PRINCIPLES**

We will comply with data protection legislation. This says that the personal information we hold about you must be:

1. Used lawfully, fairly and in a transparent way.
2. Collected only for valid purposes that we have clearly explained to you and not used in any way that is incompatible with those purposes.
3. Relevant to the purposes we have told you about and limited only to those purposes.
4. Accurate and kept up to date.
5. Kept only as long as necessary for the purposes we have told you about.
6. Kept securely.

The council has started webcasting meetings as part of a range of measures to ensure it complies with Regulations made under section 78 of the Coronavirus Act 2020. The Regulations permit remote attendance by councillors at the council's decision making meetings and will enable the decision making process to continue during the Coronavirus pandemic. Such decision making meetings must be accessible by the public and to facilitate this council and committee meetings will be live-streamed on the council's Auditel system, Zoom or the Council's YouTube channel.

Members of the public entitled to speak at meetings will be invited to join a meeting as a participant. The Regulations state that members of the public must be heard by, and where practicable seen by,

members of the committee. The audio and, where practicable, the video recording, of any such member of the public participating in the meeting will also be made available to any member of the public observing the meeting.

## **THE KIND OF INFORMATION WE HOLD ABOUT YOU**

All of the Council's third-party service providers are required to take appropriate security measures to protect your personal information in line with our policies. ## **DATA SECURITY**

We have put in place appropriate security measures to prevent your personal information from being accidentally lost, used or accessed in an unauthorised way, altered or disclosed. In addition, we limit access to your personal information to those employees and third parties who have a business need to process it. Third parties will only process your personal information on our instructions and they are subject to a duty of confidentiality.

The recordings of remote Council and committee meetings using the Auditel system are held in a secure hosted environment in the UK.

We have put in place procedures to deal with any suspected data security breach and will notify you and any applicable regulator of a suspected breach where we are legally required to do so.

## **DATA RETENTION**

We will only retain your personal information for as long as necessary to fulfil the purposes we collected it for, including for the purposes of satisfying any legal, accounting, or reporting requirements.

To determine the appropriate retention period for personal information, we consider the amount, nature, and sensitivity of the personal data, the potential risk of harm from unauthorised use or disclosure of your personal data, the purposes for which we process your personal data and whether we can achieve those purposes through other means, and the applicable legal requirements.

In some circumstances we may anonymise your personal information so that it can no longer be associated with you, in which case we may use such information without further notice to you.

Recordings of remote Council and committee meetings using the Auditel system are retained until the minutes of the meeting are agreed at next meeting of that committee/Council meeting.

## **RIGHTS OF ACCESS, CORRECTION, ERASURE, AND RESTRICTION**

### **Your duty to inform us of changes**

It is important that the personal information we hold about you is accurate and current. Please keep us informed if your personal information changes.

### **Your rights in connection with personal information**

Under certain circumstances, by law you have the right to:

- **Request access** to your personal information (commonly known as a “data subject access

request”). This enables you to receive a copy of the personal information we hold about you and to check that we are lawfully processing it.

- **Request correction** of the personal information that we hold about you. This enables you to have any incomplete or inaccurate information we hold about you corrected.
- **Request erasure** of your personal information. This enables you to ask us to delete or remove personal information where there is no good reason for us continuing to process it. You also have the right to ask us to delete or remove your personal information where you have exercised your right to object to processing (see below).
- **Request the restriction of processing** of your personal information. This enables you to ask us to suspend the processing of personal information about you, for example if you want us to establish its accuracy or the reason for processing it.

If you want to review, verify, correct or request erasure of your personal information, object to the processing of your personal information, or request that we transfer a copy of your personal information to another party, please contact the Data Protection Officer in writing.

### **No fee usually required**

You will not have to pay a fee to access your personal information (or to exercise any of the other rights). However, we may charge a reasonable fee if your request for access is clearly unfounded or excessive. Alternatively, we may refuse to comply with the request in such circumstances.

### **What we may need from you**

We may need to request specific information from you to help us confirm your identity and ensure your right to access the information (or to exercise any of your other rights). This is another appropriate security measure to ensure that personal information is not disclosed to any person who has no right to receive it.

### **RIGHT TO WITHDRAW CONSENT**

In the limited circumstances where you may have provided your consent to the collection, processing and transfer of your personal information for a specific purpose, you have the right to withdraw your consent for that specific processing at any time. To withdraw your consent, please contact the Data Protection Officer. Once we have received notification that you have withdrawn your consent, we will no longer process your information for the purpose or purposes you originally agreed to, unless we have another legitimate basis for doing so in law.

### **DATA PROTECTION OFFICER**

The Council’s Data Protection Officer (DPO) is responsible for overseeing compliance with this privacy notice. If you have any questions about this privacy notice or how we handle your personal information, please contact the DPO – see [Data Protection page](#) for details.

You have the right to make a complaint at any time to the Information Commissioner’s Office (ICO), the UK supervisory authority for data protection issues.
