

Bedmond Parking Zone

Permit Parking Zone - BED

The Bedmond Permit Parking Zone (Zone 'BED') helps to prioritise parking for people living locally and to improve safety and traffic flow in the roads shown on the map overleaf.

Parking bays are provided for anyone with a BED zone permit to park between 8am and 6pm (Monday to Saturday).

During these hours, any vehicle parked within the zone must have a valid permit. Parking across dropped kerbs within permit bays is unlawful (except your own driveway if a valid permit has been obtained).
