

RICKMANSWORTH AQUADROME STEERING GROUP

PARTNER UPDATE FOR 15 OCTOBER 2025

Partner organisation: Sustainable Three Rivers CIC	Lead officer: Rosi Jordon (Chair)
Item name	Update
Comms	We have recently updated our website: hello@sustainablethreerivers.org and also send out a newsletter regularly to over 650 local subscribers, plus we have a good social media presence. We would be happy to send out updates, promote events, ask for volunteers etc
Gardening volunteers	We have two teams of volunteers who work each week in the community garden, orchard and, on Mondays, in the rose garden. There are a couple of very knowledgeable gardeners within this group. If any advice, suggestions etc are needed in terms of creating an orchard or any other planting, I'm sure they'd be willing to help. We also have a very experienced arboriculturist in our core group, with qualifications in botany and landscape management, plus he also won a silver gilt medal at Chelsea a while ago. I'm sure he'd be happy to assist with advice, guidance etc
