Your personal data will be retained for up to 12 months following the announcement of the Environmental Champions Award winners and finalists.

## RIGHTS OF ACCESS, CORRECTION, ERASURE, AND RESTRICTION

### Your duty to inform us of changes

It is important that the personal information we hold about you is accurate and current. Please keep us

informed if your personal information changes.

## **Your rights in connection with personal information**

Under certain circumstances, by law you have the right to:

- **Request access** to your personal information (commonly known as a “data subject access request”). This enables you to receive a copy of the personal information we hold about you and to check that we are lawfully processing it.
- **Request correction** of the personal information that we hold about you. This enables you to have any incomplete or inaccurate information we hold about you corrected.
- **Request erasure** of your personal information. This enables you to ask us to delete or remove personal information where there is no good reason for us continuing to process it. You also have the right to ask us to delete or remove your personal information where you have exercised your right to object to processing (see below).
- **Request the restriction of processing** of your personal information. This enables you to ask us to suspend the processing of personal information about you, for example if you want us to establish its accuracy or the reason for processing it.

If you want to review, verify, correct or request erasure of your personal information, object to the processing of your personal information, or request that we transfer a copy of your personal information to another party, please contact the Data Protection Officer in writing.

## **No fee usually required**

You will not have to pay a fee to access your personal information (or to exercise any of the other rights). However, we may charge a reasonable fee if your request for access is clearly unfounded or excessive. Alternatively, we may refuse to comply with the request in such circumstances.

## **What we may need from you**

We may need to request specific information from you to help us confirm your identity and ensure your right to access the information (or to exercise any of your other rights). This is another appropriate security measure to ensure that personal information is not disclosed to any person who has no right to receive it.

## **RIGHT TO WITHDRAW CONSENT**

In the limited circumstances where you may have provided your consent to the collection, processing and transfer of your personal information for a specific purpose, you have the right to withdraw your consent for that specific processing at any time. To withdraw your consent, please contact the Data Protection Officer. Once we have received notification that you have withdrawn your consent, we will no longer process your information for the purpose or purposes you originally agreed to, unless we have another legitimate basis for doing so in law.

The Council’s Data Protection Officer (DPO) is responsible for overseeing compliance with this privacy

notice. If you have any questions about this privacy notice or how we handle your personal information, please contact the DPO – see [www.threerivers.gov.uk/dataprotection](http://www.threerivers.gov.uk/dataprotection) for details.
