

RICKMANSWORTH AQUADROME STEERING GROUP

PARTNER UPDATE FOR 11 MARCH 2026

Partner organisation: Canal & River Trust	Lead officer: Theo Highland
Item name	Comment
Canal Towpath	<p>Following discussion with Cllr Lloyd, the Canal & River Trust have undertaken a cost estimate (desk based) of a towpath upgrade between Batchworth Lock to Stockers Lock. This estimate is £488,000 (including risk). The aim is to explore CIL funding and other sources of match funding to deliver the upgrades.</p> <p>Note: We are currently undertaking a feasibility study for the towpath through Croxley Green Parish, funded by the Parish Council. This aims to identify the key issues along this stretch of towpath, make recommendations for improvement, and give indicative costs.</p>
