land north of Little Green Lane, WD3 3SP
11-Aug-2026

Dear Alison Bell and George Bell,

You have a 4 day enquiry starting on Thu 27 Aug without specifying exactly which dates it will run on. I'm assuming it'll be also Fri 28 Aug, Tue 1 Sep and Wed 2 Sep. Due to work and holiday commitments I'll be unable to voice my complete objection to the development. There was a meeting earlier in the year when the plan was rejected. Why are you ignoring democracy and trying to push this through un-noticed?

In years to come there will be no green land if we allow such a plan. As the Lib Dem councillor pointed out, Little Green Lane provides a natural boundary between town and countryside. Also pretty soon this country will have to import all its food.

Apart from my concerns above the small roads round there are totally un-suitable to withstand the increase in traffic. The whole scheme would be a nightmare for the local community, Croxley Green (and England)

If you use the new Labour grey belt laws to push this through, you and your lot are a complete disgrace and I hope you find it difficult to live with your consciences.

yours sincerely

Nick Brew
